

OTSA FRANCE – Promotions

We are very pleased to announce the promotion of **Eugénie Fillaux** and **Stéphanie Kaiser** to Project Managers with OTSA France.

Over the last three years they have worked as Project Executives across a wide portfolio of shows and clients (Montgomery Group, Nuremberg Messe, Informa, dmg, Hyve Group, Messe Essen, ITE, Reed) worldwide. With the leadership and support of Sibylle Courtois they have taken on their roles with great dedication, determination and success.

Eugénie and Stéphanie have been vital in building, maintaining, and expanding our business in France which started less than 4 years ago with only one client (Montgomery Group). Since then the team have successfully created business worldwide, built up a strong network of clients and have become well known within this highly competitive industry as “the agent” to work with in France & Benelux.

Thank you for your support, hard work and great achievements, we are very happy you are part of this wonderful team and can't wait to see how you will take on the new role and develop even further.

Please join us in congratulating Eugénie and Stéphanie on their promotion and we hope we can all celebrate together in the near future!

Best wishes and good luck,
Annika Fila & Sibylle Courtois
