

What a totally awesome way to turn 50!

Gary celebrated his 80's themed 50th Birthday & his 25th Anniversary with Specialised Exhibitions with the SE staff and some of his close industry colleagues on the 14th of October 2020 in the Upper Man Building at Expo Centre.

The guests enjoyed some 80's music, while eating some of Gary's favorite food and sipping on Tequila.

Sasha Hainsworth, Specialised Exhibitions
